HEIDE MUSEUM OF MODERN ART

Heide Museum of Modern Art is a unique space – a synthesis of indoor and outdoor environments, a place of modern and contemporary art and design, with a rich and colourful art heritage and social history.

VUE DE MONDE

The recipient of numerous national restaurant awards and coveted international recognition, Vue de monde is renowned for its contemporary, cutting-edge French cuisine and is widely regarded as one of the nation's premier fine dining experiences. Shannon Bennett also operates the highly successful Bistro Vue and Café Vue from Vue de monde's busy CBD premises on Little Collins St. His second Café Vue at 401 St Kilda Road includes a bakery and production kitchen ensuring consistency is maintained across the multiple Melbourne sites bearing the Vue name. In December 2010 Café Vue at Melbourne International Airport was opened, challenging the notion that international travellers can't enjoy a great meal before their journey begins and on board.

The philosophy at Vue de monde is to provide a dining experience that cannot be created at home. This is achieved through dedication to the dining experience as a whole; from the sourcing of rare ingredients and an uncompromising approach to classical technique, to a commitment to the very best in restaurant service including crockery, cutlery and glassware.

Vue de monde Events at Heide brings this philosophy to the unique spaces and gardens at Heide and celebrates John and Sunday Reed's passion for gardening and fresh produce.

We would be delighted to host your meeting, lunch, dinner, cocktail reception or wedding reception at Heide.
