

Vue de monde

The pursuit of the perfect wine list is a perplexing journey. This evolving domain comprised of an old and new world presents the conundrums of history versus modernity and tradition versus innovation. The nuances and breadth of this spellbinding world are simply too complex to capture within the pages of a book.

It is this acceptance which has guided us toward simplicity. Our list is a living, breathing document that evolves, depletes and builds.

We pay homage to iconic producers, vintages and regions, as well as revere the new, exciting and unusual. Australia - our own backyard terroir is a particular focus; a sweeping landscape of contradictions, offering a diverse contribution to the world of wine.

Our team of sommeliers hailing from Australia, Portugal, Japan and France ensure a balance between the great wines of Australia and the iconic wines of the world. We parade this offering with pride as our guests depart their dining experience at Vue de monde through our 20 meter glass enclosed cellar. Over 1500 bottles are methodically displayed in eight pupitres and further wall racking.

A further 7000 bottles are cellared underground, which are aged and released at their finest.

Notable attention is directed toward Champagne, representing a broad selection of styles from grand marques to smaller growers, with vintages from the 1960s onward. Our dedication and passion also extend to our tea service with a dedicated sommelier, as well as world class cocktails from our very own Lui Bar.

In summary, our objective is to provide an experience. Global in reach and full of surprises, it is a suitable homage to the great producers, and those who are reaching for greatness. We hope you enjoy it as much as we do.

Dorian Guillon, Head Sommelier

The Wine List

The wine list and sommelier service at Vue de monde is designed to reflect and enhance the menu and to provide a contemporary, global context to Australia's winemaking tradition. Central to the Vue de monde cellar is a celebration of Victorian producers; its emphasis on vintage depth bringing focus to the unique history of the wine regions surrounding Melbourne.

Beyond Victoria, the diversity of Australia's wine regions is represented by a collection of iconic and emerging producers with a common thread of regional and varietal typicity connecting each listing. Farther afield, the collection of international wines reflects Vue de monde's international vantage point, inspiring guests to visit new sites or return to favourite places.

With a range of different backgrounds, Vue de monde's sommeliers are eager to share their experience and passion for wine and to advise on a selection to compliment and counterpoint the meal.

Wine pairing

Wine pairing (\$200 - \$350+ per person)

Our wines are chosen from all over the world because they tell a great story; made with passion and tradition. It is our absolute pleasure to offer a unique, rare and delicious range; showcasing the diversity of wines with texture, balance & typicity. Your sommelier works with complete autonomy and every Vue de monde wine experience is bespoke.

The **'Benchmark pairing' (\$200)** traditionally consists of a classical wine focus complimented by a variety of other possible beverages.

The **'Prestige pairing' (\$250)** is based on a rare selection of both domestic and international offerings, highlighting some of Australia's great producers.

The **'Indulgent pairing' (\$350+)** allows us to use our premium cuvées and international benchmarks throughout, showcasing some of the world's truly great wines.
